My dear Mr. Jones
I have just received your letter
of the 11th and was so glad
to hear from you. I am
well and hope you are the same.
I am looking forward to
seeing you again.
Yours truly
Mr. Jones

To my
beloved editor,
You've been
a big part of my
senior year Mike. I
sometimes miss lucky, but
you didn't get killed, but
mostly you've been sweet. I'll
never forget our time in the MR room
and the jokes & study halls and just
plain fun.

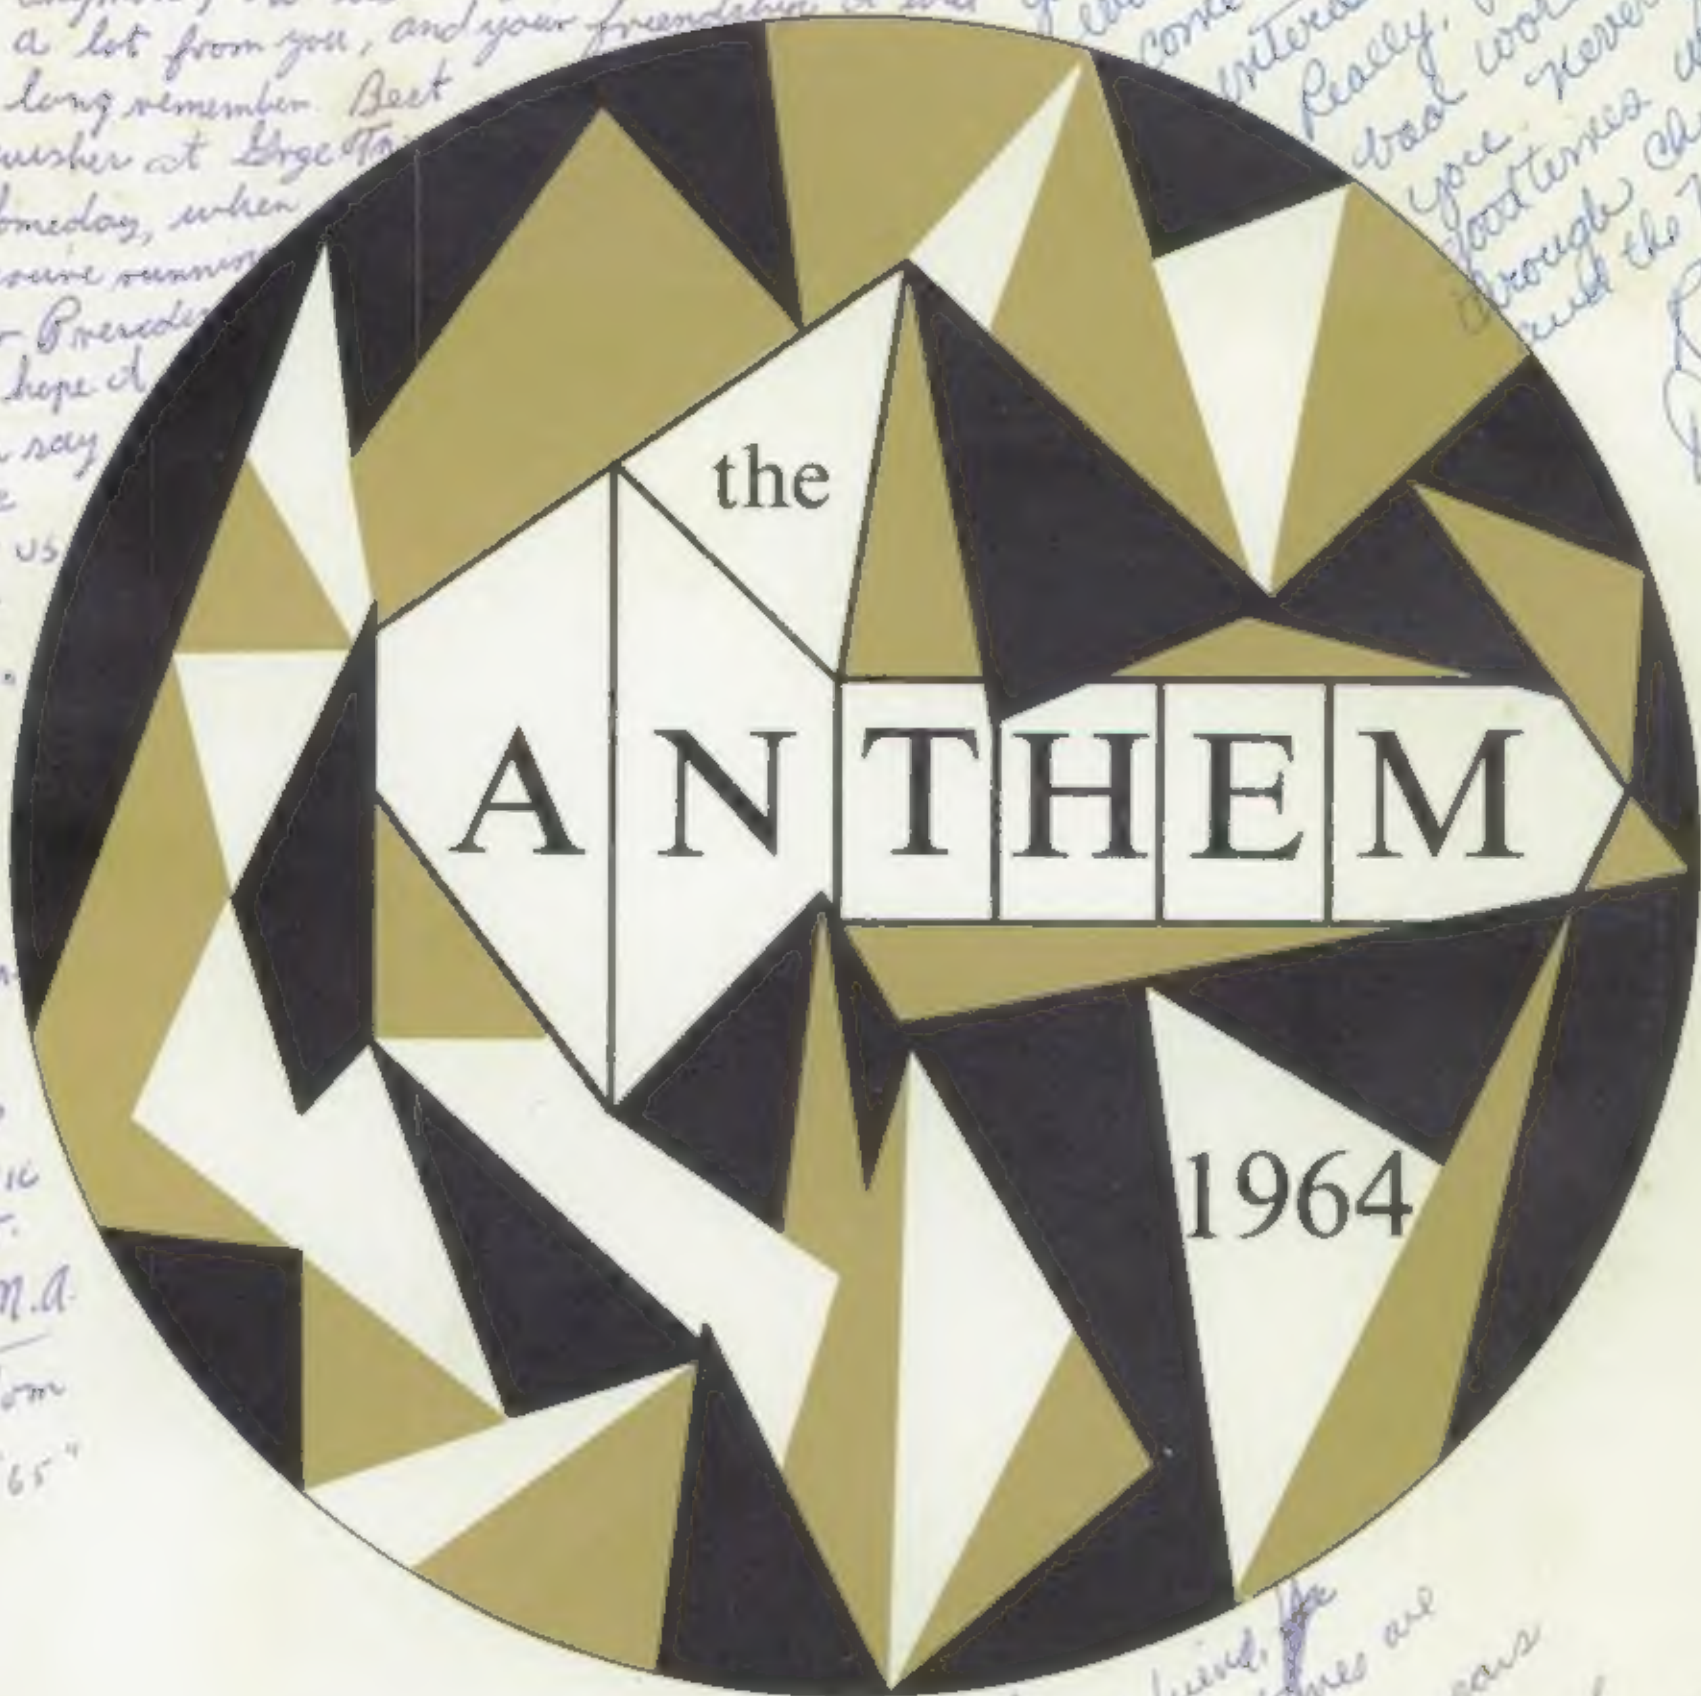

Love,
"Your girl Friday"
Lynn

Hail to the (ex) Chief!

It has been a pleasure working under an editor such as thee, oh brave leader! Many glories and the treasure of 7 generations be heaped upon you! Good Luck and congratulations on winning the Kaplan Award. You deserved it! (Now you won't have to go to Westminster anymore.) No lie though, Mike, I've learned a lot from you, and your friendship I will long remember. Best wishes at Georgetown.

Michael, a nice you're really a nice Mike and I'm sure you'll have no trouble in what ever you do. Sometimes you come out with some pretty interesting (?) abuse of words. Really. It hasn't been too bad working (?) under you. Never forget the good times we've had through church and the M. A. and the M. A. P. H. A. Dave "64"

Someday, when you're running for President I hope I can say "He kept us out of war".
GOOD LUCK & Remember Be The Speed GRAPHIC SET.

Each member of the Board of School Directors is elected by popular vote for a six year term. These persons are the voice and conscience of the people who elected them. Dear Friend:

You are the most important person in the world. What you do with your life is of great moment—not only to yourself but to all the world. With fewer limitations than you think, you can be the master of your fate—the captain of your soul.

A boy, who once thought he could fool the Oracle at Delphi, went there with a humming bird in his clenched fist. Then, he asked the Oracle if the bird was living or dead. If the Oracle replied that the bird were alive, he would crush it to death. If the Oracle replied that the bird were dead, he would release it!

The Oracle replied tersely, "It is as you will it."

So, too, it is with your life—it will be as you will it.

C. A. Sherman
Superintendent

Principal

In taking your place in the complex society of today, we realize that we cannot give you all the answers to the problems which will confront you. It is our hope and desire that your education while a student of Brentwood High School will help you make a sound and realistic appraisal of your problems and in this way approach a solution for the betterment of yourself and your fellow man.

F. W. Deasy

The purpose of education is to prepare us for living in a complex world where we are challenged by economic, social, and political changes. We must be prepared for the immediate present and for the tomorrows which lie before us. We trust the school, faculty and community are providing basic knowledge and skills, ideas and self-confidence, habits of good health and good conduct, a cultural background which will make life more meaningful, and with a citizen's sense of responsibility.

Through hard work, hustle, and a desire to win, the Brentwood High Spartans finished the season with a hard fought record of 7 wins, 1 tie, and 1 loss. This stands as the best football record in the history of Brentwood.

Highlights of the year included shutting out Snowden, Carrick, Homestead, Upper St. Clair, and West Mifflin South. The outstanding game of the year was the 66 yardlock with Wilmerding when Brentwood scored with 17 seconds to go and dropped inches short of the goal line for the extra point.

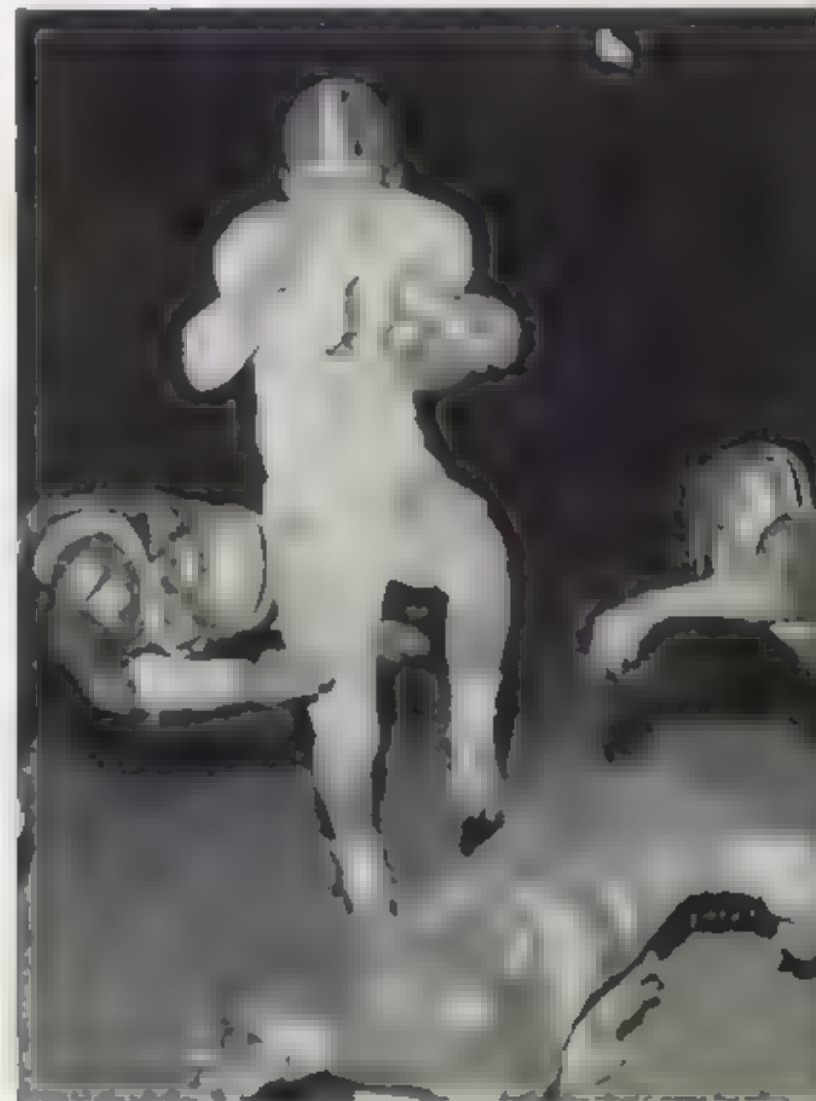

Coached by George Rasosevich, Bert Van Philip, Richard Barclay, and George Reed, the fighting Spartans scored 259 points to the opposition's 52—another school record in Class A competition.

Next year's team will feel the loss of Senior lettermen: Captain Joe Curtin, Ken Black, Greg Byrnes, Tom English, Jim Flannery, John Herzog, George Hawryluk, Bill Leech, Pat McCallister, Jim Mulhern, John Petrenas, Steve Piontek, Mike Sobolak, Bob Stasko, Henry Vernon, Rich Westfall, and managers Bernard Snyder and Ron Tschippert.

Basketball

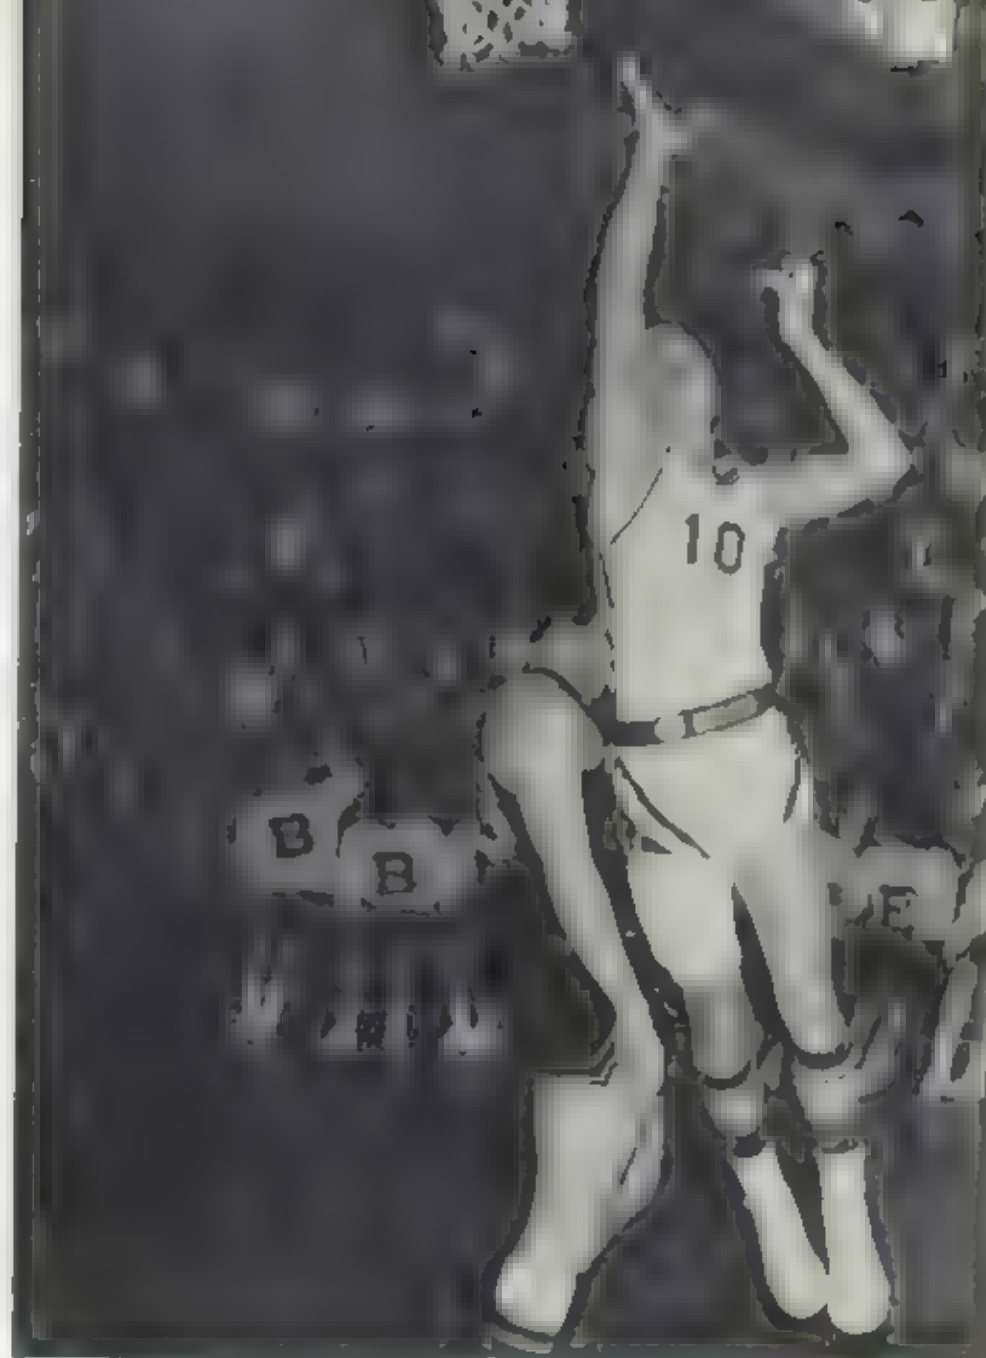

Although this year's Spartans did not finish first in section 12-A, they still entertained the fans with some very exciting basketball. The team felt its greatest loss when three of the five starting players were injured during exhibition games. Highlights of the year included victories over Homestead, West Allegheny, McKees Rocks, and Chartiers-Houston.

Individual scoring honors were held by Jack Douglass—419 points, ranking him third in all-time scoring. He was followed by George Kephalyannis—188 points, Mike Davic—121 points, Rich Mitchell—103 points, and Rich Westfall—94 points.

Coach William P. Douglass and assistant Robert W. Schwille will feel the loss of seniors Jack Douglass, George Kephalyannis, Rich Mitchell, Rich Westfall and manager Bernard Snyder. Next year's team can look forward to the return of juniors Mike Davic, John Baisey, Bill Wycott, and sophomore Kiel Stasko.

Track

Richard Whitfield and Robert Plocki, Brentwood's track and field coaches, anticipate a very successful year. This year the Spartan cindermen will run against Class A competition. Last year while in Class B the Spartans were undefeated. Returning lettermen: senior runners Jim Porto, 100-220 yard dasher and member of half-mile relay; Gary Linn, 440 yard dash, half-mile, and member of mile relay; Don Slogan and Jim McCartney, high and low hurdles, Bob Kerr, half-mile, mile run, 440 yard dash; Gary Barchfeld, 440 yard dash, half-mile, and member of mile relay; and Al Martin, half-mile, will score the points in the running events. Bill Seibert, pole vaulter; Jim McCartney, high jumper; Jim Mulhern and Joe Curtin, shot throwers; Rich Westfall, discus thrower; and George Hawryluk, javelin tosser, add strength in the field events. In both areas the team should rate high in section competition.

Cross Country

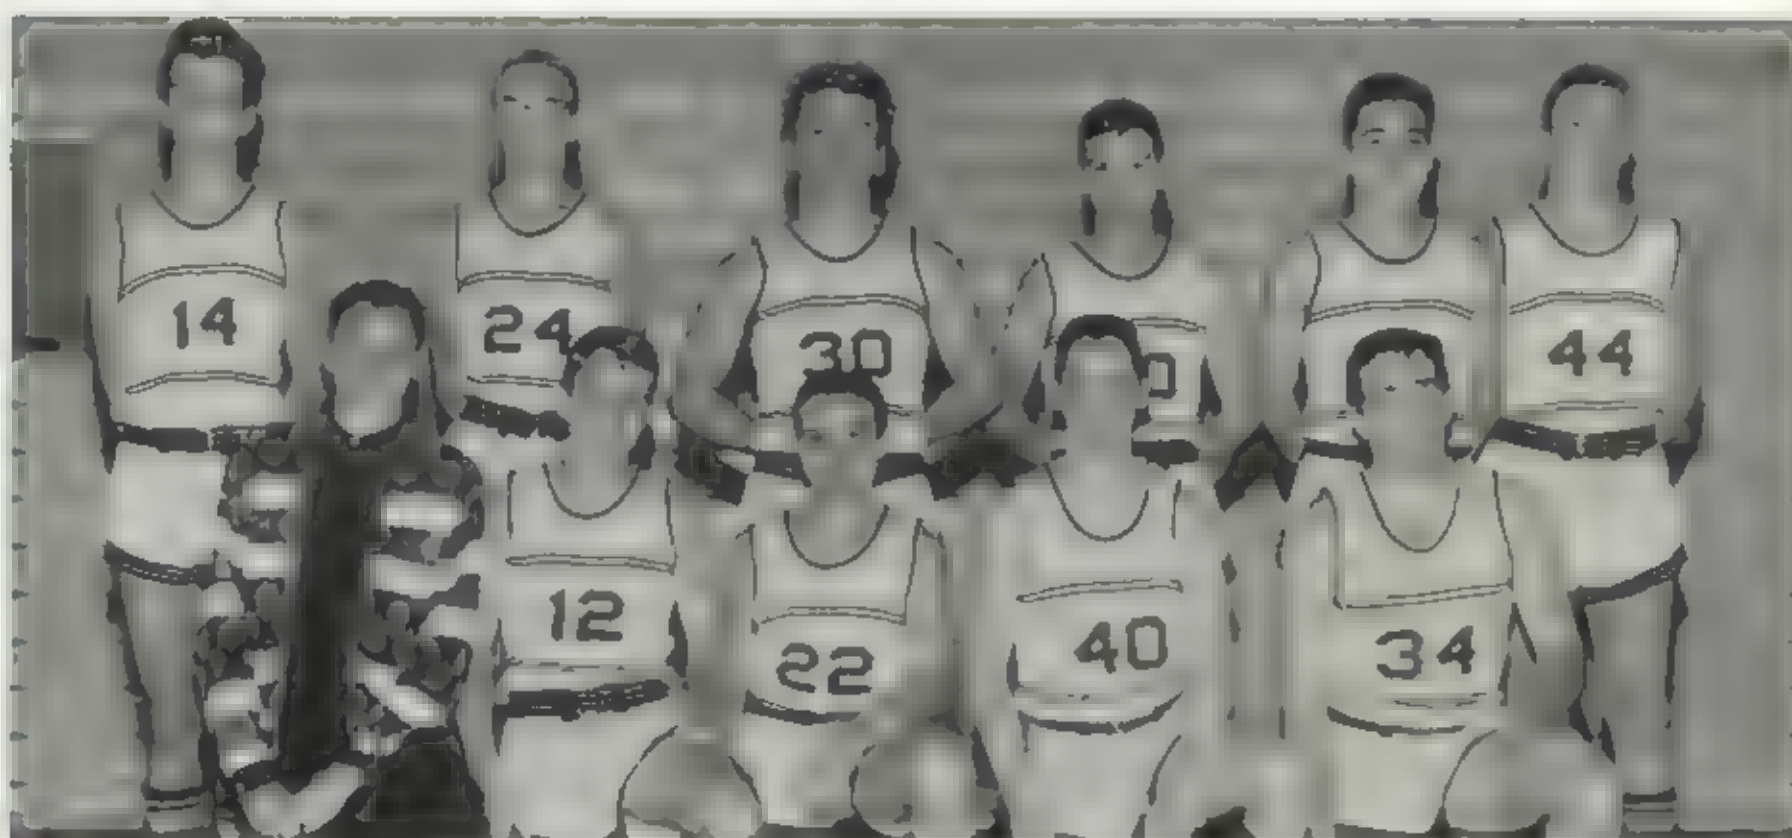

The cross country team, under the tutelage of Robert W. Schwille, fought through the 1963 season with a record of 2 wins against 4 losses in dual competition. The Spartans faced rugged competition in Canon-MacMillan, North Allegheny, and Central Catholic, all strong AA teams.

Frequent injuries to outstanding key senior runners scuttled the team's hopes for an outstanding year. However, Bob Kerr, Gary Barchfeld, and Vince Gauss placed in the Tri-State Coaches Conference Meet. Next year's squad will miss these boys along with other outstanding seniors, Gary Linn, Al Martin, and Jim McCartney.

Junior Varsity

The junior varsity squad, under the leadership of Robert Schwille, learned the fundamentals necessary to play varsity basketball. During the games they provided Brentwood rooters with many exciting performances while exhibiting their skills. Juniors Rich Hagerty and Jim Kirk, along with sophomores Rick Artman, Rick Askins, P. J. Donaldson, Jack Lazenaga, Jim McIntyre, Gary O'Data, Bob Owens, Jim SanFilippo, and Tom Shannon formed the nucleus of the team.

The junior high, coached by George Reed, compiled a season's record of 12 wins and 5 losses. The boys learned to play as a team, and next year's J. V.'s can expect good ball playing from future sophomores. Among these are Mickey McCut, Tony Denk, Pat Scullen, Dave Gauss, and Rich Birch.

Junior High

Varsity

The nine peppy cheerleaders composing Brentwood's squad fired the students with great enthusiasm. These girls practiced long and hard during the summer months and after school to prepare for football and basketball games, pep assemblies and bonfires. Leading Brentwood's cheers are: seniors, Mary Ellen Carletto (captain), Candace Moore (co captain) and Michele Matthews, juniors Barbara Lenger, Suzanne Scott, and Nancy Kindle; and sophomores, Ann Quinn, Denise Cawley, and Cathy Martz

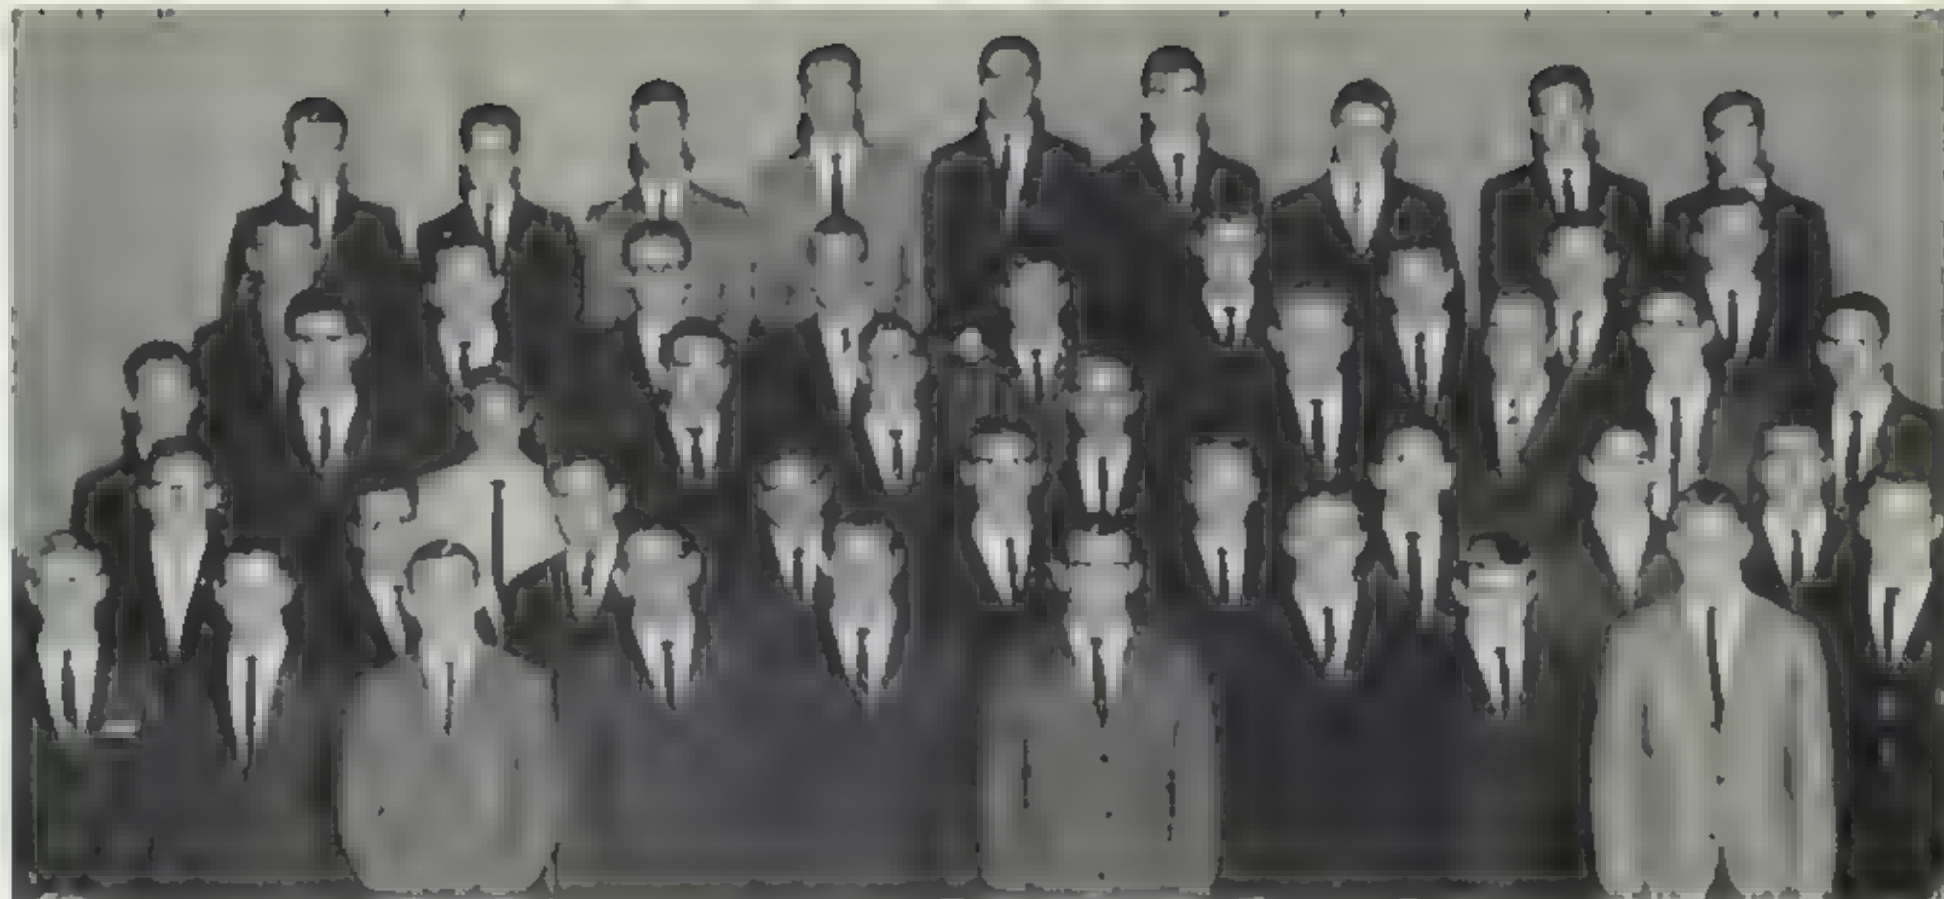

Cheerleaders

The junior high cheerleaders, captained by Diane Karhut, helped to create more and better school spirit at the junior high games. The squad of pepsters includes: Beth McNally, Margaret Linn, Eileen Sansotta, Betty Pardi, Janice Londino, Joyce Donsbach. The girls were chosen competitively on jumps and individual cheers. The practice gained here improves the future Varsity squads of Brentwood.

Junior High

Varsity Lettermen's Club

The main accomplishment of the Varsity Lettermen's Club was the awarding of blazers to the three-year lettermen. This was made possible by the annual dance held November 27

Coached by Mr. George Reed and Mr. Richard Barclay the Junior Varsity football team concluded its schedule by defeating Upper St. Clair 13-0. Defeats by Snowden 22-0, West Mifflin South 33-6, Carrick 19-12 Thomas Jefferson 42-0, and Bethel 33-0 marred their record. Although their record wasn't impressive, the fundamentals and skills these boys learned will help next year's varsity squad

Mike,

We have been good friends for a long time now, and with our days at BHS almost over, I want to wish you the best of luck. You're probably the most famous person of our senior class (KDKA) and it's been a pleasure to know you. Be good and never stop playing that piano.

BRENTWOOD BOOSTERS

The first of these is the fact that the
 number of people who are employed in the
 service industry has increased steadily
 since the 1950s. This is due to a number
 of factors, including the fact that the
 service industry has become a more
 important part of the economy, and the
 fact that people are more likely to work
 in the service industry than in the
 manufacturing industry.

Mike,
A really true scholar,
A great minaret (small (m) for a)
editor, (small paper)
But most of all \$(I goofed)
A good friend.

Mike,

I can truthfully say you are my best friend
from Brentwood. That's really a compliment!!
I'll never ~~lose~~ forget how friendly you've
been to me since I first came to
B.P.C. I wish you very much luck
at Johns Hopkins (even though O. Wes is better)
Good luck in everything you attempt.

your friend

Fred (from Carrick & the Brent
of tomorrow)

Mike-

My expectations for your
future are very great, but
only because I know that you
can live up to them. As I sit here at
"our desk" I wonder if I can possibly
live up to the precedent set by this year's
"Minut" (your Minut). You've been a
large part of my high school life; the
object of much respect, admiration, gratitude,
(true friendship is something to be thankful for), and
wonderment. (How did you ever do so many
things so well?) I envy your opportunity
to go out into the world, and I wish you
much happiness and the very best of
luck in everything you do.

Love
Jay
